LINE | GLOW DAY

GLOW DAY PROFESSIONAL

Professional line for hair renewal, growth stimulator, giver of strength, shine and hydration.

The Glow Day Kit is Rich in Biotin, this kit is essential for treating hair that needs a boost in growth and development. You know that hair that doesn't grow, doesn't leave its place? This kit accelerates hair growth up to 10x as well as strengthening the fiber, preventing hair breakage. When we talk about the Hair Schedule, it plays the role of hydration, replacing water in the hair, which is why it can be considered your preferred hydration. It has D'panthenol, which has the power to attract and retain moisture in the hair, as well as combating free radicals responsible for the premature aging of cells. Furthermore, this kit is healing and can be used to combat flaking on the scalp and delay the appearance of gray hairs. The result is soft, strong hair, long strands, zero split ends, defined and with lots of movement.
